

Luminous Mind presents

A Gathering with Mike Snider “Getting Easy” with Nonduality

Saturday, January 23, 1:00-3:00 p.m.
No set cost: Love offering welcome
1716A Linden Avenue • Nashville

Satsang with Mike followed by Q&A session

Mike Snider, a talented Grand Ole Opry member, describes himself as “an ol’ country boy who was starving to know God and found that God was not a him or her or it...and loves to share with people how simple, available and immediate God (or your true nature) really is.” Delivered in simple, straightforward language, with great humor and compassion, Mike shares the story of his own search for Truth and its ultimate collapse.

Mike has been asked to teach by Adyashanti, and is highly recommended by author Joan Tollifson (*Awake In The Heartland*). This will be a refreshingly direct perspective on nondualism and awareness.

Location: the home of Rita Frizzell, 1716A Linden Avenue in the Belmont Hillsboro neighborhood in Nashville. Seating and some cushions provided. Feel free to bring your own.
